## POWX0397 RECIPROCATING SAW 900W

This reciprocating saw with a rated power of 900W can handle all rough sawing tasks. Trimming large branches outside goes effortlessly, as well as sawing in thick tubes and metal.

### Saw blades and grip

The instrument is supplied with a 3m cable and 2 saw blades: one for wood and one for metal. The quick release makes a blade change very ease. You can furthermore adopt the best position for your sawing job, as the grip can be turned in 5 stands. The machine is easy to hold thanks to the soft grip handle.

### Lock-on button and pivot shoe

The POWX0397 also has a lock-on button that assures a long continuation of your activities and thanks to the pivot shoe, you don't need to worry neither about the stability of your sawing tasks. Another major benefit this reciprocating saw offers is the easy accessibility of the carbon brushes. So you don't need to disassemble the equipment when replacing the brushes.
