POWX0481 PALM SANDER 220W

This lightweight Powerplus palm sander fits your hand perfectly to sand the smallest corners. The 220W tool has a flat-iron shaped sanding plate. Both left and right handed people are able to work with the device.

Thanks to the dust collection box you have a better visibility on the sanding surface. After your activities you nicely store your material in the BMC. This POWX0481 is delivered with no less than 15 sandpapers, which you replace easy and quickly with the hook and loop system.
