LEAF BLOWER/VACUUM 3300W | 45L

Enjoying a lawn without leaves? This Powerplus leaf blower/vacuum with 3300W of power is able to blow away leaves, as well as to vacuum and shred garden debris. It makes the leaves up to 20 times smaller and collects them into the large collecting bag of 45 litres. Finally you will make good use of the built-in rake for raking garden waste together. Jammed leaves are immediately removable from behind the transparent valve.

With the powerful motor you blow away leaves up to 300km/h. In case you wish to blow at a lower speed, you simply regulate it with the speed control. Two support wheels let you move around easily throughout the entire yard. While working you hold the device firmly with the adjustable extra handle. And let's not forget about the carrying belt for optimal comfort.

TECHNICAL SPECIFICATIONS POWXG4038		Features	Box content	Symbols
Rated voltage - frequency	230-240V~ 50Hz	<ul style="list-style-type: none"> • 4 functions: <ul style="list-style-type: none"> - blowing - vacuuming - shredding 20:1 - raking • Integrated rake • Quick release collection bag • Inspection window 	1x leaf blower/vacuum
