POWX11831

DEMOLITION HAMMER 1300W

You can use this stunning performer from Powerplus for hammer drilling in concrete, brick and stone. Light chiseling tasks are possible too. With a 1300W motor and an impact force of 18 joules, your drilling works will progress rapidly. Thanks to the SDS max type connection, you easily change your drill by hand.

This strong demolition hammer reaches 4400 strokes per minute. Thanks to the excellent anti-vibration system, you feel almost no vibration and are able to work very comfortably. So using the POWX11831 is pleasant, even for longer tasks. Its soft grip makes the device fit perfectly in your hand and the auxiliary handle provides even more comfort.

The Powerplus demolition hammer is supplied in a carrying case, in which you will also find one pointed and one flat chisel. This lets you store the tool and its accessories easily.
