POWX301

# ASH CLEANER 1200W

Clean your fireplace or barbecue in no time with this Powerplus ash cleaner. With its 1200W motor, all dirt is drawn powerfully into its large 20l tank. The strong and durable steel tank can effortlessly handle temperatures up to 60°C. With the device's blow function, you are also able to blow away dirt on your work surface.

While working, the high efficiency filter avoids the release of even the tiniest dust particles, so you can clean in a safe and healthy environment. Its brushless motor really makes this machine complete. Thanks to a powerful, durable motor with a lower vibration and less maintenance, you can work comfortably and enjoy your Powerplus tool even longer.
