## LEAF BLOWER 20V - POWDPG7521

Gathering leaves in your garden without cables lying around? This cordless leaf blower with 20V power gives you this opportunity. Hold the tool firmly and comfortably with its soft grip and get rid of all the leaves in your yard.

This is done with a max. rotation speed of 13.000min<sup>-1</sup>. You come across trapped leaves? Press the turbo button and blow them away at a speed of 145km/h. The long blowing tube is detachable for compact storage. So when your work is done, you have a tidy garden and a very need shed too.

20V battery and charger are not included, but can be bought separately and are compatible with the whole Dual Power range.
