## HAMMER DRILL 1200W

The Powerplus POWX11721 1200W hammer drill has plenty of power with up to 4300 strokes per minute. With its four different functions, you can drill, hammer, hammer drill and chisel. Whether you need to work in concrete, wood or masonry, the hammer drill gets the job done effortlessly.

With the included depth stop, you can choose a precise drilling depth and drill several equally deep holes in a row, without wasting precious time. The dust cap limits the amount of dust from flying in the air.

The POWX11721 is equipped with an ergonomic D-shaped grip, an anti-vibration system and an auxiliary grip, that enable you to work comfortably and safely. On top of that, a BMC, an SDS- plus type pointed and flat chisel, and a chuck with an SDS-plus type adapter are included.

TECHNICAL SPECIFICATIONS <b>POWX11721</b>		Features	Box content	Symbols
Rated voltage - frequency	230-240V~ 50Hz	<ul style="list-style-type: none"><li>- Hammer/drilling</li><li>- Drilling</li><li>- Chiseling</li><li>• Vibration reduction system</li></ul>	1x hammer drill	<div><b>CHEMICAL SAFETY</b> ✓</div> <div>CE</div> <div>□</div>
