IMPACT SCREWDRIVER 20V - POWDP20100

With this light and compact 20V impact screwdriver from Dual Power you can handle every bolt, screw or nut. Its powerful engine provides you with an impact rate of 4350 strokes per minute and a high torque of 180Nm. You can choose the settings according to the task you need to perform, thanks to the three torque settings and a free to choose speed between 0 and 2900min⁻¹.

The three led lights at the tools front side provide you with ample light. Therefore you can always work with a perfect visibility, even in the darkest corners of your house. Working comfortably is ensured with the POWDP20100's soft grip and belt clip.

Combine with a 20V or 2x20V DUAL POWER battery. Battery not included.
