AVAILABLE JANUARY 2017

DRILL/SCREWDRIVER - POWE00042

This 18V LI-ion drill/screwdriver is perfect for all small DIY jobs around the house. It has a maximum torque of 30Nm and you can easily change speed (two speed gear) or torque (21+1 setting) to support a wide variety of tasks.

The built-in led light improves your visibility and gives you the opportunity to work in poorly lit spaces. The POWE00042 comes with two 1300mAh batteries, so you never have to wait for your battery to recharge. You always have another battery at hand to keep working. Beside the two batteries and charger, there are also 12 bits, a bitholder and a double head screw bit included. Thanks to the keyless chuck you can quickly change bits.
