# ANGLE GRINDER 650W | Ø115mm

Cutting off, grinding, sanding, deburring or rust removal: this compact 650W angle grinder comes in handy for every home craftsman. The POWE20010 can cut up to Ø115mm at a rotation speed of 12000min<sup>-1</sup>.

It features a protective guard and an auxiliary handle for two hand operation, so your safety is guaranteed. The auxiliary handle can be set in two positions, so you can use the angle grinder freely. To fix the grinding disc, simply press the spindle lock and make use of the quick clamp system. Grinding discs can be bought separately.
