GRASS TRIMMER 300W

This compact and light grass trimmer is perfect for use in a small garden. The 6m double thread lengthens automatically every time you stop and start the trimmer again. No need to tap the head on the ground anymore, which will save you a lot of time.

You can work fast with this easy-to-use grass trimmer. Thanks to its flower protection you don't even have to worry about damaging your delicate plants while edging your lawn.

The POWEG6015 has a cutting width of 250mm and is protected by a safety guard. Together with the cable relief this assures a safe use of the trimmer.
