## TRIANGULAR SANDER - POWE40050

This triangular sander is a great option for sanding in hard-to-reach areas, such as small corners. It has a one handed operation, which makes it comfortable to use. The sanding plate is fitted with a self-adhesive hook and loop system, which allows replacing the sandpaper quick and easily.

For the operators comfort, it features a soft grip and a dust adaptor that discharges the sanding dust into an attached vacuum cleaner. This advantages a longer service life of the sanding belts, better visibility on the sanding surface and a dust free working environment. One sandpaper is included.

TECHNICAL SPECIFICATIONS POWE40050		Features	Box content	Symbols
