POWEG63772

LAWNMOWER 98.5CC

This self-tracting lawnmower features a powerful 4-stroke motor of 98.5cc. Its housing is entirely made of steel which ensures you a long life use. The cutting height is adjustable in 7 positions, from 25 to 75mm for your convenience. With the easy to mount mulching function, clippings can be shredded very finely in order to use them as organic fertilizer. The foldable handle makes it compact for storage and convenient for transportation. With the effortless connection of the 50L grass bag you can assemble and empty very easily. All the above makes our POWEG63772 perfect to handle your lawns without any need of electric cables.
