LAWNMOWER 140cc 510mm - POWXG60320

This self-propelled lawnmower is equipped with a 140cc Briggs & Stratton motor and has a large cutting width of 510mm. You can choose between 7 cutting height positions between 25 and 75mm. During mowing you can either collect the cuttings directly into the large 65 liter gras collector, or you can choose for rear discharge, side discharge or mulching.

The handle can be set at the desired height and can also be folded for easy storage. The solid steel housing can be quickly cleaned with the water nozzle.
