POWE80050

WALL SLOTTER 1700W

The POWE80050 is perfect for cutting slots in masonry and tiled walls or floors, so you can easily install electrical cables, water pipes,... or deal with other construction and renovation work. The 1700W wall slotter has two strong diamond discs that rotate at a speed of 4500min⁻¹. The distance between the blades and the cutting depth are adjustable for all-round usability. You can cut up to 40mm deep and 29mm wide.

The wall slotter is equipped with a guide handle and soft grip and can be connected to a vacuum cleaner to keep the workplace clean and healthy.
