**AVAILABLE AUGUST 2016**

This LED floodlight can be used indoor and outdoor. Its firm aluminium housing and protection level of IP65 protects it against dust, water and shocks, what makes it perfect for use at the jobsite, in the garden, studio and workshop. It emits 3750 lumen with 50W of electricity which makes it a great energy saving floodlight. The POWLI20500 has a high-quality surface mounted LED light that produces a natural daylight colour temperature of 6500K. The floodlight has a service life of 30.000 operating hours. The floodlight can be pointed at different angles thanks to its adjustable bracket.
