PORTABLE/RECHARGEABLE LED FLOODLIGHT 10W POWLI226

This nicely designed 700 lumen LED spotlight is perfect for both indoor and outdoor usage, such as jobsite, garden, studio and workshop. It only consumes 10W of electricity which makes it an extremely energy saving product. It consists of a high powered surface mounted LED to project an extremely bright even floodlight. The massive body is built from aluminium. This easy to install light can be pointed at different angles thanks to its 120° rotatable head.
