ON/OFF: 100% brightness:
1800 lumen / working time: 2.5h
1st TOUCH: 50% brightness:
900 lumen / working time: 3.5h
2nd TOUCH: 25% brightness:
450 lumen / working time: 6h
3rd TOUCH: FLASHING - SOS

This nicely designed 1800 lumen LED spotlight is perfect for both indoor and outdoor usage, such as jobsite, garden, studio and workshop. It only consumes 20W of electricity which makes it an extremely energy saving product. It consists of a high powered surface mounted LED to project an extremely bright even floodlight. The massive body is built from aluminium. This easy to install light can be pointed at different angles thanks to its 120° turn head. It proposes 3 different levels of brightness and an SOS-function. Count 3.5 charging hours for 3 to 8 hours of light, depending on the chosen brightness level.
