3-IN-1 RECHARGEABLE EXTENDABLE LED FLASHLIGHT POWLI423

POWLI423 includes a high power led spotlight with 100m luminance distance, 2x 15 LED extendable sides and a 3x LED red emergency light with pivoting head. The integrated magnets at the bottom allows mounting it to most metal surfaces, ideal for hands-free use during one person jobs. The compact rechargeable flashlight uses a Lithium-Ion battery, which gives your light a longer working time. It's always ready for use, no memory effect and no self-discharge of the battery even when the light is not used for a long time. Provided with a 12V car adaptor and AC/DC adaptor.
