RECHARGEABLE LED FLASHLIGHT 3W - 1.2W - POWLI450

Our POWLI450 is a nicely designed multi-functional LED spotlight. With its adjustable handle with soft grip you can use it hanging on a hook or holding it in your hand. Because of the swivel stand you can easily put it on a surface in different angles.

You can choose between bright white light to illuminate your work place or red light for example in case of emergency. This spotlight is equipped with a rechargeable NI-MH battery which ensures you a longer continuous use and shorter charging time.
