LED TOUCH ON LIGHTS - POWLI630

Powerplus presents six battery operated round-shaped touch lights, convenient for closets, kitchens, stairways, boats, kid's room, pantries, garages, storage units, etc.... Switch on these lights by a simple tap on their surface or with the delivered remote control. You can operate up to 24 lights with the remote control and if desired, install the timer to switch off the lights automatically after 5 minutes. A holder for the remote control and 18 batteries are included. The remote control operates on 2 AAA batteries and each light runs on 3 AA batteries. In addition adhesives are provided for easy, anywhere mounting. POWLI630 is a complete solution to brighten dark areas without power supply.
