POWX0490

TRIANGULAR SANDER 300W

The smallest corners pose no problem for this triangular sander. With the speed adjustment wheel you can adapt the machine to the material and job of your choice. The sanding plate is fitted with a self-adhesive hook and loop system, which allows replacing the sandpaper quick and easily. For the operators comfort, it features a soft grip and a left/right handed top switch.

The built-in dust extraction element discharges the sanding dust into an attached vacuum cleaner. This advantages a longer service life of the sanding belts, better visibility on the sanding surface and a dust free working environment. 3 pcs of triangular sandpaper are included.

TECHNICAL SPECIFICATIONS POWX0490		Features	Box content	Symbols
