**PATENTED SYSTEM**

■ **DUAL SAW PATENTED SYSTEM**

Discover the amazing patented counter rotating technology with the dual saw POWX0680. Two saw blades rotate in opposite directions (rotation speed 5500min<sup>-1</sup>) allowing you to cut almost any material without changing the blades. Cut through hard and soft woods, hard metals, soft metals, plastics, Formica, PVC, aluminum, corrugated steel, brass, copper, iron, industrial grade rebar, ... with the same blades. This saves you time and money.

■ **LUBRICATION SYSTEM**

The dual saw comes with 10 lubricating sticks in a handy BMC. Its lubrication system permits to cut through soft metals like aluminum, copper, brass and stainless steel without overheating or warping them. You can start cutting from anywhere in the material. Plunge cut, forward and backward or top to bottom. The maximum cutting depth equals 30mm.

**NO KICKBACK**

■ **NO KICKBACK & NO SPARKS**

With the counter rotating technology, for a better accuracy, no kickback, no sparks, vibrations, splintering and breaking. Cuts are easier, smoother, simpler, or very precise. The ideal present for a perfectionist!

## DUAL SAW 1050W / Ø125mm - POWX0680

For precise, smooth and easy cuts our dual saw with patented counter rotating technology is the perfect choice. Its two blades rotate in opposite direction and let you cut almost any material with the same blades. Cut through hard and soft woods, hard metals, soft metals, plastics, Formica, PVC, aluminum, corrugated steel, brass, copper, iron, industrial grade rebar, ...

The integrated lubrication system allows to cut through soft metals like aluminum, copper, brass and stainless steel without overheating or warping them. 10 lubricating sticks are included.

You can start cutting from anywhere in the material. Plunge cut, forward and backward or top to bottom. The maximum cutting depth equals 30mm.

No kickback, for a better accuracy, less sparks, vibrations, splintering and breaking. Cuts are easier, smoother, simpler, and very precise. It's the perfect gift for every DIY perfectionist, already packed in a handy BMC!
