# MITRE / TABLE SAW 2000W

By turning the table around its axis, the POWX07587 easily transforms into a mitre saw or a table saw. The 2-in-1 flipover saw features a solid support stand and is very easy to transport thanks to the folding legs and the wheels.

The powerful 2000W saw has a 254mm saw blade that can cut up to 70mm deep. The mitre saw can cut up to 155mm in width, the table saw up to 70mm.

With the adjustable clamp firmly in place, you can fully concentrate on the sawing and don't need to worry about a moving workpiece. When switching to the table saw, a variable angle guide helps you cut a larger workpiece at a certain angle. A dust bag and dust adaptor collect the dust and keep your workplace clean.

Saw blade, triangular rule and push stick for extra safety are also included. All accessories can be orderly stored in the nylon storage bag.

TECHNICAL SPECIFICATIONS <b>POWX07587</b>		Features	Box content	Symbols
Voltage - Frequency	230V~ 50Hz	<ul style="list-style-type: none"> <li>• 2-in-1: mitre and table saw</li> <li>• convertible duo-action cutting</li> <li>• aluminum alloy table top panel</li> <li>• wheels for easy transport</li> <li>• adjustable leg for stabilisation</li> <li>• electric brake &amp; switch</li> </ul>	1x mitre/table saw
