## HAMMER DRILL/DEMOLITION HAMMER 1700W - POWX1189

The electric POWX1189 with anti-vibration system is not only a powerful hammer drill, but also a strong demolition hammer. Switching between the two functions is easy and quick. The speed regulator allows you to choose between 6 different positions. Depending on the set speed, the POWX1189 hammer drills with a rotation speed of 160-320min<sup>-1</sup> or hammers with 950-1900 strokes per minute with an impact force of 27 Joule.

It has an extra handle with safety lock nob for demolition. It gives you the control and security you need. The POWX1189 is delivered in a BMC-case with an SDS MAX drill and a pointed and flat SDS MAX chisel.
