**HAMMER DRILL 1500W**

With this electric hammer drill you can hammer, hammer/drill, drill and rotate the chisel. Switching from one function to another is easy with the mode selector with safety lock. The POWX1195 has an impact energy of 6J that lets you drill 42mm deep in wood, 32mm in concrete and 13mm in steel. The low vibration level provided by the excellent vibration reduction system ensures the needed comfort to work.

The hammer drill is equipped with a removable auxiliary handle and is delivered with a pointed and a flat SDS-plus type chisel, three SDS-plus type drills and advanced lubricant.
