## COMPRESSOR 1500W - POWX1735

Our POWX1735 is a well featured and portable machine that delivers a reliable, controllable volume of compressed air. This oil-lubricated portable air compressor is ideal for home/garage and 'do-it-yourself' use. It's designed to offer the user enough compressed air volume to tackle his inflating and nailing jobs. The user friendly features on this model includes: an easy-adjust pressure regulator, an easy drain valve, a quick connection for fast attaching and detaching of tools, an oil level sight glass. The rubber feet reduce the vibration and the wheels and handle make this an easily portable machine.
