CHAINSAW 2400W - POWXG1007

This sturdy and powerful 2400W electric chain saw has a high quality Oregon 400mm bar and chain. The automatic oiler will constantly lubricate the chain in order to maximize its performance and minimize its maintenance. Adjusting the tension on the chain is easy and can be done without any tools.

You can work in all comfort and safety thanks to the low kickback and automatic brake. The full metal gear and spiked bumper will give you the support you need to make precise and clean cuts.
