## LONG REACH HEDGE TRIMMER 25.4cc - POWXG2061

The long reach hedge trimmer is perfect to trim tall hedges or extra wide shrubs. No need to balance on a ladder anymore. It has a very long aluminium shaft of 1500mm and an extra extension of 500mm. Its head is adjustable in different positions to let you choose the best angle for clean cuts. The 450mm laser cut blade allows a very accurate cutting for branches up to 25mm in diameter. The hedge trimmer is equipped with a carrying belt and a second handle for additional grip security and better manoeuvrability.
