HIGH QUALITY TOOLS

■ METAL KNIFE

You can shift easily between the suction, blowing and shredding mode thanks to the selector switch. The high-impact shredder gives 10:1 leaf volume reduction. It comes with a metal knife that does not only reduce leaves but also harder objects. Shredded material ends up in the 40 litre textile collecting bag.

■ HEAT-RESISTANT NYLON BODY

This leaf blower/vacuum comes with a 2-part suction tube, convenient and compact for storage. Take care to fully assemble the parts or the blower will not function (micro switch safety system). The machine body is made of heat-resistant nylon.

■ WIDE PATIO NOSE HEAD

The included shoulder strap and patio nose head with wheels assure extra comfort and demands less effort while taking care of large gardens, driveways, ...

■ EASY START FUNCTION

This powerful 30cc gasoline leaf blower/vacuum features a 2-stroke motor with an easy start function. This item is 100% conform to the Euro II standards. No cable perturbs your freedom of movement. Therefore it's ideal to manage large surfaces.

■ LOW VIBRATION

By using a special support system at the back of the fan, vibration stays low when the tool's in use.

AVAILABLE OCTOBER 2012

GASOLINE LEAF BLOWER/VACUUM 30cc - POWXG4050

Our POWXG4050 leaf blower is provided with a metal knife. Not only leaves but also harder objects are easily shredded. Easy to shift between the suction, blowing and shredding mode thanks to the selector switch.

The adjustable shoulder strap is a convenient carrying option. The wheel support provides extra comfort and demands less effort while taking care of large gardens, driveways,... The shoulder strap is yet an extra support, used to divide the remaining weight. The tool features a high-quality carburettor. It is 100% conform to the EURO II norm, which is required.
