ELECTRIC EARTH AUGER 1200W - POWXG5020

This handheld electric earth auger has a powerful engine that allows you to drill holes without effort or back breaking spade-work. Our POWXG5020 is supplied with a helical screwing blade bit which helps to remove material and dirt upwards. You get a clean hole ideal for garden planting or fencing with square and round stakes. Our auger drill bits have a carbide tipped screw for extra strength and correct positioning.
