CULTIVATOR 196cc - POWXG7216

This cultivator has a powerful eco driver turbo engine of 196cc so you can tackle any big garden, without worrying about extension cords or electricity. It has 4 reinforced steel knives and is easy to handle thanks to a forward and reverse lever. Without any effort you can adjust the cultivating depth from 150mm up till 300mm. With this cultivator you can quickly and efficiently cultivate the ground, loosen and aerate the soil, dig up weeds or mix in fertilisers or compost. The result is a rich soil that is perfect for your vegetable garden, planting beds or lawn.
