LAWNMOWER 160cc 502mm - POWXQG7571

This self-tracting lawnmower is powered with a top quality 160cc Honda engine. Its housing is entirely made of steel. You receive a 5 year warranty, because we are confident that a long life use is guaranteed.

A cutting width of 502mm and adjustable cutting heights ranging from 26-65mm gives you the opportunity to choose between 8 different positions, your lawn can be mown easily, precisely and rapidly. Furthermore, the mulching function reduces your waste to a minimum and your clippings can be used as compost. The rear discharge has the benefit that paths are not covered in grass clippings. Stopping to empty your lawnmower is almost history with its removable 50 litre collect bag.

In conclusion, this gasoline lawnmower is a pleasure to work with.
