## POWX0611 ANGLE GRINDER 900W

This compact 900W angle grinder with Ø115mm disc is perfect for small grinding and deburring projects. Replacing the grinding disc (not included) is very easy with the spindle lock. Timesaving and no need of additional tools.

The handle with soft touch can be fixed in three different positions. On top of that, the POWX0611 has a lock-on switch for continuous operation and a solid metal safety guard for optimal hand protection. All of this makes the POWX0611 a very comfortable and safe tool to work with.
