## LEAF BLOWER 40V - POWDPG7525

This cordless leaf blower gives you the power and freedom of going anywhere in your garden to quickly gather leaves. The POWDPG7525 is equipped with a brushless motor so your comfort is guaranteed by a lower vibration and a motor without maintenance. On top of that the high-efficiency brushless motor maximises the run time and the motor life.

You can operate the leaf blower with only one hand so you can take care of large gardens, runways,... with only a minimum of effort. It blows leaves at a maximum speed of 185km/h, which can easily be achieved with its turbo button. A handy speed lock lever allows you to operate the leaf blower without having to hold the trigger during use.

The large blowing tube is detachable for compact storage. Combine with the 40V Dual Power battery. Battery not included.
