**18V LITHIUM-ION
BATTERY SERIES**

One 18V Lithium-ion battery for an entire range of power tools and garden equipment. That's "One Fits All", the new Powerplus EB-line battery series. It offers endless possibilities and total freedom of movement.

Choose between two 18V battery models with a different capacity: 1,5Ah or 3.0Ah for a longer runtime.

**AVAILABLE
DECEMBER 2017**

PAINT SPRAY GUN - POWEB5510

This handheld battery-powered paint spray gun can be used anywhere, inside and around the house, and even in hard to reach areas. As it is cordless, you don't have to worry about the (extension) cord or look for a suitable outlet.

The paint gun with soft grip can handle a variety of DIY home projects, whether its spraying home furniture and doors or painting garden fences and windows. The paint gun can even spray full latex paint, besides the usual water- and solvent-based paints, varnishes and finishes.

It has a flow rate of 300g/min and a tank capacity of 1 litre which is big enough to spray larger areas. You can regulate the paint flow for a clean and even result.

Combine with the 'One Fits All' 18V Li-ion battery. Battery and charger not included.
