IMPACT DRILL - POWESET6

This set contains a 720W impact drill and batteries and a 259-piece assortment of concrete drills, pozi screws and plugs. Supplied in a strong metal case with a convenient carry handle.

The impact drill is compact and light, making it perfect for smaller DIY projects involving screwdriving, drilling and impact drilling. The drill capacity in concrete is 13mm, in steel 8mm and in wood 25mm. When choosing for the impact function, you get an impact rate of 0-48000 impacts per minute.

It has a Sanou keyless chuck with lock function. This makes it very easy to change bits and drills. It also comes with an auxiliary handle, a left/right-switch and lock-on button.
