INCLUDED ACCESSORIES

DEMOLITION HAMMER 1700W

This 1700W demolition hammer is perfect for your heavy-duty chiseling. It produces up to 2000 strokes per minute with an impressive impact force of 50J. It can break through concrete with almost no effort.

The strong demolition hammer has a tool chuck which allows a fast and tool-free chisel change. It has an auxiliary handle with lock knob for extra control and security and is delivered in a BMC-case with a pointed and flat HEX chisel.

POWERPLUS

Pro Power is especially designed to meet the demands of a professional. The superior quality tools deliver a high performance and can handle the most challenging tasks. With Pro Power you can be sure of extremely durable and reliable tools.
