## KRTGR9005 ROTATING SPREADER 23L

## AVAILABLE JANUARY 2018

This rotating spreader is ideal if you want to maximise the health of your garden and plants. All fertilisers and seeds will be evenly distributed. KRTGR9005 has a continuous dosing lever for greater convenience and the sturdy wheels are designed for long-life wear.

You can use this spreader the whole year round, whether it is for fertilising in spring, planting in summer or spreading safety salt in winter.
