POWXG6251

# LAWNMOWER 1600W

This electric lawnmower has a strong 1600W motor. It combines this great power with a Sharpp blade and a cutting width of 380mm. It is clear, this POWXG6251 will save you much time and energy.

The cutting height can be set at 5 positions between 25 and 75mm. The grass can be gathered in the 40 liter collection box or be mulched to feed the soil. Rear discharge is also possible. A warning system will let you know when the grass collector is full and ready to be emptied. The lawnmower with cable relief can easily be adjusted in height for an optimal working comfort.
