DRILL/SCREWDRIVER 18V

This 18V Li-ion drill/screwdriver has all the power you need for drilling or turning screws. It has a maximum torque of 40Nm and you can easily change speed (two speed gear) or torque (15+1 setting) to support a wide variety of tasks.

The drill/screwdriver has a single sleeve keyless chuck for a quick bit change and a built-in led light for extra visibility when working in poorly lit spaces. It comes with two Samsung 2000mAh batteries, so there is always another battery at hand to keep working.

The soft grip and wrist strap increase the user comfort and control.

POWERPLUS

PRO POWER

Pro Power is especially designed to meet the demands of a professional. The superior quality tools deliver a high performance and can handle the most challenging tasks. With Pro Power you can be sure of extremely durable and reliable tools.
