### LAWNMOWER 1200W + TRIMMER - POWXG6211T

This compact 1200W lawnmower with high manoeuvrability has a cutting width of 320mm and is perfect for mowing small lawns. The grass can be cut at three different heights (25-45-65mm) and then collected in the 30 liter collect box. The warning system will let you know when it's time to empty the box. The handle can be adjusted in height and is also foldable for easy storage.

The free included 250W grass trimmer has a cutting width of 220mm. It works with a double thread spool of Ø1,2mm x 2m, that can be lengthened with the tap & go line feed system.
