## CHAINSAW 45cc - POWXG10220

This chain saw with 45cc two-stroke has a high quality Oregon chain and bar for efficient operating. The 400mm bar cuts fast through thick tree trunks and limbs. Thanks to the easy start system you can start your engine effortlessly with only one pull of the starter handle. The automatic oiler will constantly lubricate the chain for a smooth supply. For your comfort and safety, the POWXG10220 is equipped with a chain brake, a low kickback and a low vibration system. In case of emergency, the quick stop interrupts the spinning of the chain immediately.

TECHNICAL SPECIFICATIONS <b>POWXG10220</b>		Features	Box content	Symbols
